

Click Locker.

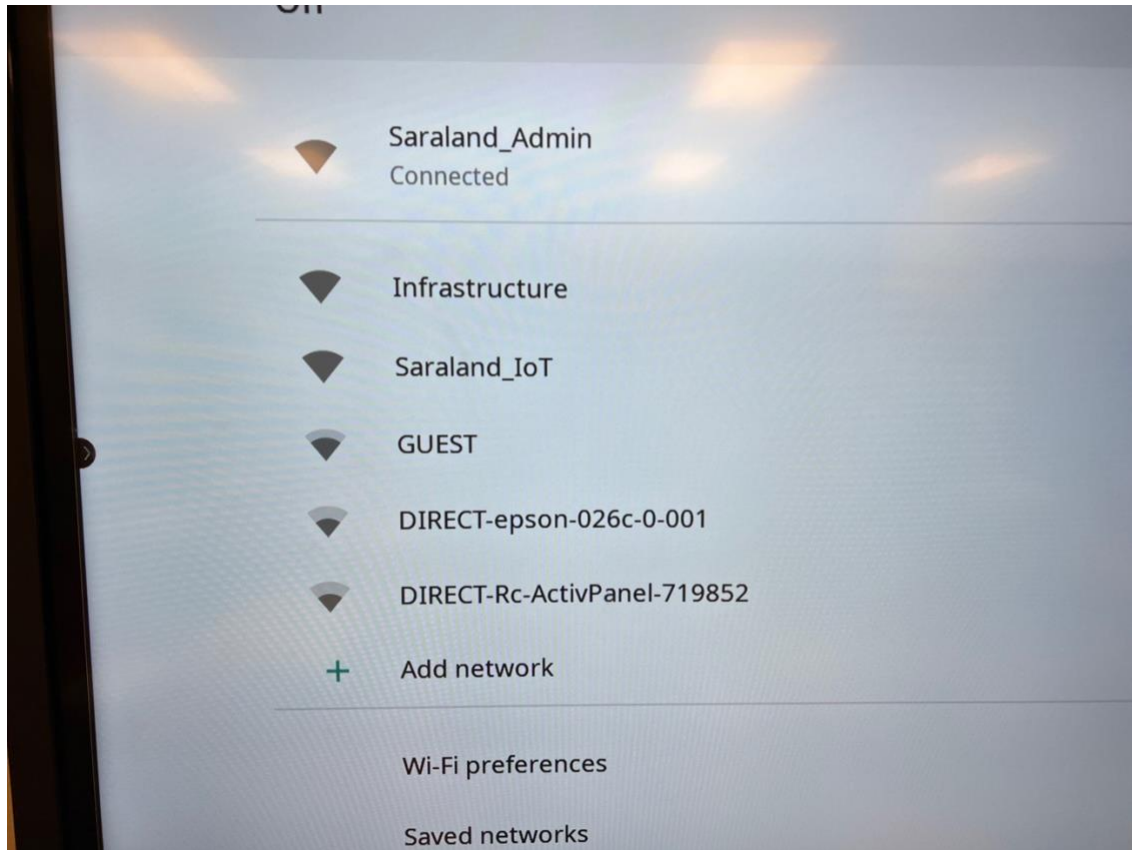

Settings.

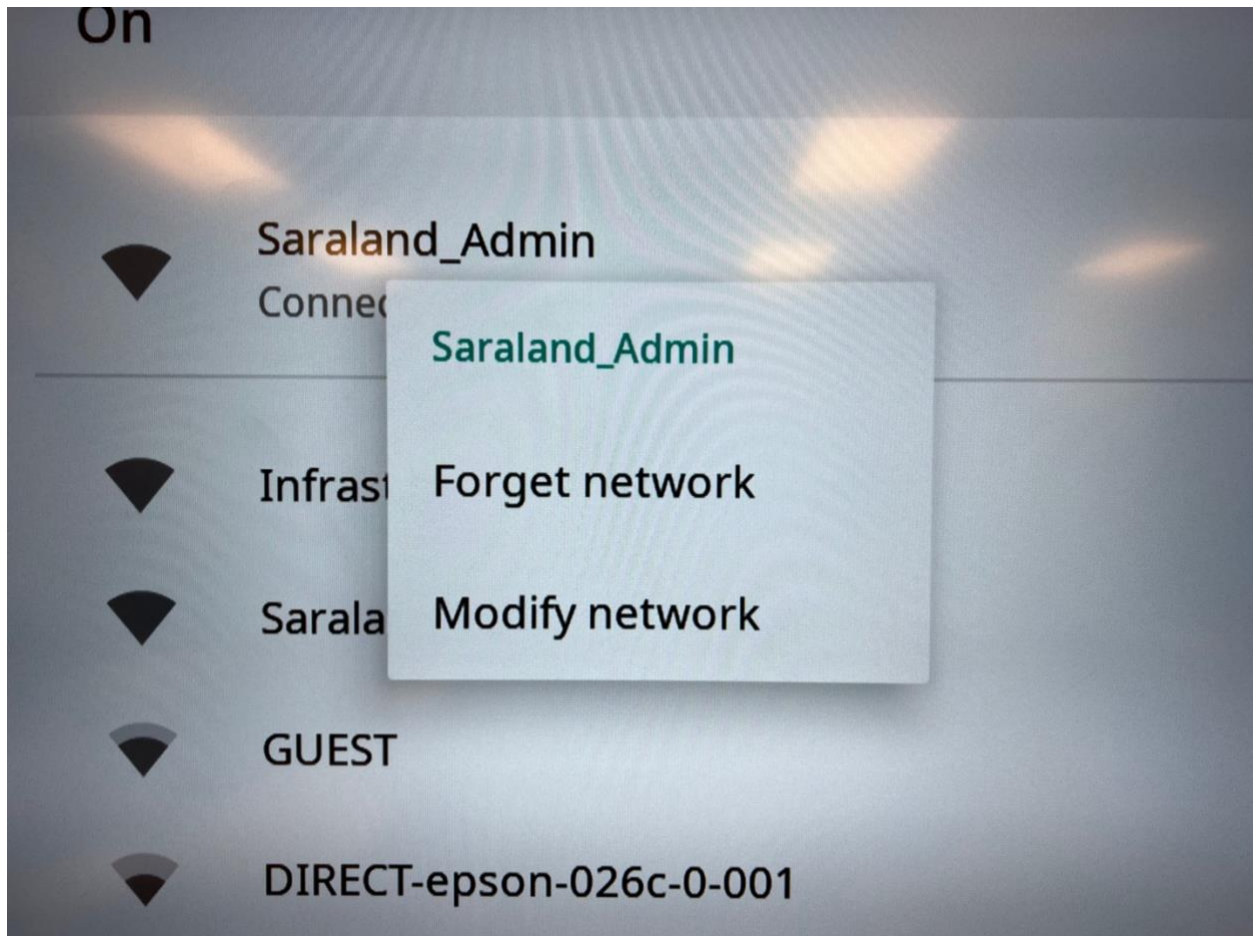

Network & Internet.

Select (Saraland_Admin)

Press and hold to view drop down menu. Click forget network on all saved networks.

Match The following settings. Use your personal Network Credentials.

The image shows a screenshot of a network configuration window titled "Saraland_Admin". The window has a light blue background with a subtle cloud pattern. The settings are as follows:

- EAP method:** PEAP
- Phase 2 authentication:** MSCHAPV2
- CA certificate:** Do not validate
- Warning:** No certificate specified. Your connection will not be private.
- Identity:** awilliamson
- Anonymous identity:** (empty field)

At the bottom of the window, there is a row of numbers from 1 to 9, and the letters "CAI" are visible on the right side.

Click Connect.
